Infinite Solutions Ltd

Profile

Venkat has 25+ years of experience in Finance, Corporate Banking & Investment banking having specialization in areas such as M&A Advisory, Strategic Consulting & BPR.

He believes in working with projects that have positive impact on the broader society like education, healthcare and social ventures. His professional career includes 13+ years in several capacities in Mashreq bank in Dubai and prior to that 10+ years with Standard Chartered (Scope), GE Capital, Tata Coffee and ICFAI in India.

Venkat invests actively into select opportunities as an Angel investor and assists several entrepreneurs in their initial journey of setting up a vibrant base during their evolution into a successful corporate. He is part of 3Analytics International, Vriddhi Investments and Moebius Management Solutions in Dubai.

Venkat is an M.Com, ACMA, ACS, PMP, PgMP and a certified Green Belt Black Belt and a Master Black Belt in Six Sigma. He believes in a relationship approach to everything he does and believes that transactions are just a by product. He sits on the boards of several technology companies in India, UAE and Singapore.

Venkat's vision is to set up a school with difference and manage it himself to enable identification and grooming of talent from the neglected segments of the society where latent raw talent is available in plenty.
