Conference 2025**

Empowering **Knowledge**, Driving  
**Innovation** & Shaping the **Future**  
Through **Research**

# CALL FOR PAPERS

The conference proceedings will be published by Springer which is Scopus indexed

## OVERVIEW

The 9th BUID Doctoral Research Conference 2025 empowers knowledge, driving innovation, and shaping the future through research. This hybrid event provides an international platform for doctoral students to share and publish their work across diverse fields, including education, business, law, engineering, sustainable design, and innovation. It welcomes emerging and established researchers, educators, thought leaders, practitioners, technocrats, and business leaders to explore the latest trends, discoveries, and practices shaping our world.
