

Bachelor of Science in Business Management

GET THE PROFESSIONAL ACUMEN TO BE A LEADER IN MANAGEMENT

WHY STUDY BACHELOR DEGREE IN BUSINESS MANAGEMENT

At BUId, the programme was designed to equip you with skills, knowledge, confidence, and practical business skills required to start your career journey. Our programme reflects both industry requirements and our students' need to learn in a supportive and active environment. We believe that the joy of discovery and learning is best experienced with our high-credentials academics.

ENTRY REQUIREMENTS

Secondary level education (12 years) or equivalent.

Curricula taught in English are exempted from English Language requirement.

For Ministry curriculum a grade of 80% for English language in high school or Academic IELTS with an overall score of 5.0 or equivalent is required.

Students must have a grade of 70% in Math and in any other two subjects (excluding Arabic, English and Islamic Studies)

(please check our website for more details www.buid.ac.ae)

PROGRAMME DESCRIPTION

We provide you with a strong grounding in business and management, as well as the skills needed to be an effective global leader. Our BSc in Business Management allows you to study the full range of management subjects, including accounting and finance, human resources management, entrepreneurship, innovation, international business, leadership, economics, and marketing. You can develop your interests as you go along with a wide range of our modules.

Start at BUiD, get your award from the UK!

BUiD's students registered on BSc in Business Management will have the option to study the last two years of their degrees at the University of Salford on the BSc (Honours) Business and Management.

CAREER PROSPECTS

Internship - A great opportunity to forge your career path!

We have carefully designed our internship programme to provide meaningful work and learning opportunities to help our interns not only to develop their skills, but also to put their studies into practice while learning about a particular industry. Employers often look for workplace experience as part of their recruitment process, so this can be a great way to kick start your career!

ABOUT BUiD

The British University in Dubai (BUID) was established by law number 5 in 2003, by His Highness the late Sheikh Maktoum bin Rashid bin Saeed Al Maktoum, Ruler of Dubai, as a not-for-profit entity. The University grew out of collaborations between British and Dubai academic, government and commercial organisations to make a unique contribution to the UAE and the Gulf region.

The academic support that BUID enjoys from its alliance with Russell Group universities in the UK has contributed to its success. These universities include the University of Edinburgh, the University of Glasgow, and the University of Manchester - all in the world's top 100.

Scholarships are available - Please check our website www.buid.ac.ae
