1.0 Rationale and principles which this policy seeks to uphold

- 1.1 The University operates according to clear lines of authority and reporting.
- 1.2 The University organises its operations by functional area.
- 1.3 The University defines roles of staff within functional areas in job descriptions.
- 1.4 Job descriptions list responsibilities for which staff are accountable.
- 1.5 Job descriptions enable the evaluation of skills and knowledge required to undertake a role, and thus guide recruitment, appraisal, and promotion.
- 1.6 The University makes transparent the basis for remuneration by evaluating job descriptions against criteria-referenced salary and grading scale.

2.0 Scope

- 2.1 Applies to all staff positions, academic and administrative.

3.0 Definitions

- 3.1 The University refers to The British University in Dubai (BUiD).
- 3.2 Academic staff are employees whose core functions are teaching and research; academic staff are organised into Faculties headed by Deans who report to the Vice Chancellor.
- 3.3 Administrative staff are employees whose core functions are professional services; administrative staff are organised into units headed by Heads of department who report to the Registrar and Chief Administrative Officer.
- 3.4 Full time staff are permanent employees who work the normal working hours mandated by the UAE Labour Law and with the full time workload credits as per the standard of the Ministry of Education under a full term contract which is subject to the University's terms and conditions and shall continue until terminated by either party giving to the other one (1) month notice in writing at any time. They are paid on a monthly basis.
- 3.5 Part time staff are permanent employees who work half of the normal working hours mandated by the UAE Labour Law and with half of the full time workload credits as per the standard of the Ministry of Education with clearly defined job descriptions with a yearly contract which is subject to the University's terms and conditions and shall continue until terminated by either party giving to the other one (1) month notice in writing at any time. They are paid on a monthly basis.
- 3.6 Temporary staff are employees who work under fixed term contracts; they may be paid on an hourly basis or an agreed sum per contract.
- 3.7 The University's operating hours are normally between 0800 and 2200. The University's standard working week is Sunday to Thursday from 0900 to 1800; some academic and administrative staff may work on Saturdays according to teaching requirements. Full-time staff are expected to work for a minimum of eight hours with a statutory one hour break per five hours or more of continuous work as per the UAE Labour Law. Deans and Head of Departments are responsible for implementing the working hours and monitoring the attendance of their employees.

4.0 Policy

- 4.1 The University has four job families:
 - 4.1.1 Research and Teaching;
 - 4.1.2 Administrative/Professional;
 - 4.1.3 IT/Technical;
 - 4.1.4 Operational Services.
- 4.2 Each job family has grades of position where grade indicates the level of complexity, responsibility, autonomy, and variety involved in the work, and the requisite prior training and experience.
- 4.3 The descriptions of each grade enable the evaluation of a new position according to the job description drawn up.
- 4.4 The descriptions of each grade enable evaluation of an individual's range of work, and within the appraisal process guide decisions on whether that individual has grown their position

such that the official job description should be changed and the position reflects a higher grade.

4.5 The descriptions of grades within each family are as follows (source, University of Oxford):
